*ACTION TAKEN: NOTICE OF SUSPENSION OF 19 CSR 30-
40.750(3)*

19 CSR 30-40.750(3) is hereby suspended. This provision permits STEMI centers to apply to the Department to be STEMI centers through an alternate designation process by private organizations. This waiver allows hospitals applying to the Department for renewal designation through this alternate pathway process to continue to be designated until these private certifying organizations can review these hospitals. This shall not apply for those hospitals initially applying with the private certifying organization, including those hospitals which have had a consultative survey.

EMERGENCY STATEMENT: Pursuant to Executive Order (EO) 20-04 dated March 18, 2020, the rule is suspended effective April 2, 2020 until May 15, 2020.

This in addition notice will appear in the May 15, 2020 issue of the Missouri Register.
